Education

Zhejiang University

2021 – Present

B.S. Computer Science and Technology

- 4.86/5.0 with 62 credits
- 4.73/5.0 with 81 credits

1/977 (Department of Informatics)
5/146

Minor Chu Kechen Honored College: Advanced Class of Engineering Education (ACEE)

Research Experience

Zhejiang University, AINet(Yang Yang)

2023.1 – 2024.2

University of HongKong, MMLab(Luo Ping)

2023.7 – 2023.10

National University of Singapore, NEXT++

2023.11 – Present

Publication

[Exploring Correlations of Self-supervised Tasks for Graphs](#)

ICML 2024

Taoran Fang, Wei Chow, Yifei Sun, Kaiqiao Han, Lobin Ma, Yang Yang

TL;DR: We uncover the inherent correlations for various graph self-supervised tasks and propose a new method to achieve more expressive embeddings.

Unified Generative and Discriminative Training for Multi-modal Large Language Models

under review

Wei Chow, Juncheng Li, Kaihang Pan, Qifan Yu, Hao Fei, Zhiqi Ge, Shuaiyang, Siliang Tang, Hanwang Zhang, Qianru Sun

TL;DR: We propose an structure-induced approach to unify generative and discriminative paradigms.

[One Foundation Model for All Dynamic Link Prediction](#)

under review

Xuanwen Huang* Wei Chow*, Yize Zhu, Yang Wang, Ziwei Chai, Chunping Wang, Lei Chen, Yang Yang

TL;DR: This work proposes DyExpert, an autoregressive model consistent with the GPT-2 architecture, which is a foundation model for link prediction on dynamic graphs.

Rethinking the Scoring Restrictions of Attentive Graph Neural Networks

under review

Taoran Fang, Wei Chow, YihaoShang, Chunping Wang, Lei CHEN, Yang Yang

TL;DR: We propose using non-linear combination activation modules to address the issue of node order in Attentive GNNs, further enhancing the capability of Attentive GNNs.

Other Experience

Teacher Assistant in Zhejiang University

[211G0300] Fundamentals of Computer Science (B), 205 students

2023Fall

[2114N001] Introduction to Artificial Intelligence, 42 students

2023Fall

[211G0239] Introduction to Computer Science, 98+34 international students

2023Fall, 2024Spring

Honors and Awards

National Scholarship of the People's Republic of China

2022, 2023

The First Class Scholarship in Zhejiang University

2022, 2023

Learnings Research and Innovation Scholarship

2023

The International Mathematical Contest in Modeling (ICM) Meritorious Winner

2023

Zhejiang University Undergraduate Academic Star (the only one in the School of Computer Science)

2024

SenseTime Scholarship Nomination Award

2024
